MY SEXY SECRET!

"CUM-FORT ZONE!"

23416

When I'm alone and feeling horny, there's one memory I often use to get off: the time I sucked the cock of my ex-boyfriend's buddy. I was always a conservative girl but I lusted for Brian so much I was willing to leave my comfort zone. All I wanted was to be fucked by him, and allowed to suck him. When he suggested I show his friend Robert just how good I was, I figured if it would please Brian I would do it. So when Brian brought Robert home one day after they got off work, we all had beers and then we started fooling around. Brian said I "belonged" to Robert that night, and he would only watch. It was a weird but exciting feeling to take Robert's cock in my mouth while Brian smoked a cigarette. I really got into it. Robert's cock was smaller than Brian's but it was thicker, and I could take it all the way down to the balls. Robert exploded pretty quickly, but Brian didn't want his friend to feel cheated. He had me give Robert a nude massage until he was stiff again and ready for more sucking and a tit-fuck with my nice boobs.

Brian and I eventually broke up, it wasn't that deep a relationship. But I frequently return to that memory of blowing his friend and taking his cum down my throat and on my boobs while Brian watched and blew smoke rings from his Newport! **"Horny Recall" - Pittsburgh ♣**

**Carli
Banks**

One thing cutie-pie Carli can always bank on is feeling turned on. In fact, this gorgeous gal is pretty much plagued by the constant urge to cum. No matter where she is, what time of day it is, what she's up to, who she's with...if she's awake she's got the ache. It's something she's seen several doctors about and all are in agreement that her confounding cunny hole is a most curious case indeed. How on earth could this pretty girl's pussy be so badly in need of perpetual petting? It stumped even the most serious sex scientists. While none of them ever attempted to cure her once and for all, each mesmerized MD offered Carli advice on how she might best handle one of her horny spells. All the experts unanimously agreed that a toy prick should nicely and swiftly do the trick and advised fair Carli to seek refuge alone for an invigorating round of vage stuffing whenever her box felt fit to burst. And thus prescribed she shut herself away in her room with her favorite vibe for one solid week, the sounds of humming and cumming seeping softly beneath the door both day and night. And whatever happened at week's end? Did Carli emerge purged of her demonic desire for never ending O's? Well, truthfully, no. But she had to take a break to buy more batteries. ♣

SHOOTING STARS

KAYDEN KROSS

BIRTH DATE: September 15
BIRTH PLACE: Sacramento, CA
HEIGHT: 5'5" **WEIGHT:** 125 lbs.
VITAL STATS: 32D-22-34

INTERVIEWED BY:
EMMA EDWARDS

With sophisticated good looks and a body that will have you on your knees chanting "I'm not worthy!" Kayden Kross opens up about life on top of the cock and everywhere in between. Are you ready to take the plunge for this Swedish bombshell? She certainly is...

What did you do before you got involved in the

adult industry?

I was a nude model, a dancer in Sacramento and a waitress at Denny's. (giggling)

Where you looking to get into the adult industry?

Yes! It took me a year to decide to make the leap into adult films. I had been doing nude modeling and hadn't even done girl/girl stuff at that point. When I finally decided that I wanted to move forward I knew it was going to be with a contract. I definitely wanted all of my

adult work to be contracted.

I told my agent I was ready to do boy/girl and the next thing I knew I was a Vivid girl. Now the tides have changed and I'm an exclusive contract girl for Adam & Eve Pictures. It's a great company and a great fit.

Were you a porn fan before becoming a porn star?

I had seen maybe one or two porn movies before I signed with Vivid. The first live scene I ever saw was Penny Flame and Derrick

Pierce performing in *Kayden's First Time*. They shot Penny's scene first so I went upstairs and watched. I wanted to learn what I was supposed to do and what noises I was supposed to make. I even thought I had to do blowjobs differently for the cameras. It almost felt like I was cramming for the big test the night before and loading my mind with tons of last minute information.

Tell us about your first scene? It was a movie called

Kayden's First Time. It was nerve wracking and I was so scared. It was also with Manuel Ferrara, a guy with a huge cock! I honestly didn't know his cock was going to be that big. During the second movie, *Be Here Now*, I wasn't scared anymore and ended up having an awesome time! And yes, Manual was great!

What do your friends think about your new career choice?
Everyone I know is complete-

ly okay with it. Some are more supportive than others but I don't have anyone who is upset over the choice or has tried to talk me out of it. It was a very easy transition for me and that makes it all the better.

Have you always been a sexual person?
Oh yes! Definitely! Overtly sexual actually. I've even had boyfriends dump me because they couldn't keep up with my sexual demands. I've also been threatened

by other boys for the same offense. As far as porn goes, I was never worried about the sex part because I knew I could do that well. I was just concerned about the ramifications of it but never the act itself.

What is your preferred time of day to have sex?
I'm usually a mid-day kind of person. I'm not up for the morning sex and am in fact not a morning person at all. I usually skip mornings all together.

What do you consider your best physical attribute?
That depends. Sometimes I really like my small waist or my boobs. But other times when I'm standing next to a girl with bigger boobs than mine, I don't like them as much anymore. It all fluctuates and depends on who I am standing next to.

Tell me details about one of your hottest scenes.
I really enjoyed my performances in *Be Here Now*. The first scene was with Tommy

SHOOTING STARS
KAYDEN KROSS

Gunn and the second was with Jean Val Jean. Both of those men are smokin' hot babes and I couldn't wait to fuck them. I had a great time and was so upset when the scenes ended. I wanted more!

Who are some of your favorite performers to

work with and why?

Definitely Tommy Gunn and Jean Val Jean. If any of those guys quit the industry I will undoubtedly be upset. I've also done a girl/girl scene with Mikayla Mendez. I loved her long dark hair and her great boobs. Yeah, that girl is hot! And of course, Erik Everhard. He's the best!

What's the wildest thing you've ever done in your

personal life?

Well both of my tattoos are accidents. I have a Playboy Bunny on my hip that I am in the process of removing and little paw prints across my foot. They are small and no one really notices them. That bunny is definitely on its last leg. What can I say; I got drunk, woke up, and said, "Oh shit, when did that happen?" (laughing)

What turns you on?

Really, classy guys. I love intelligence. I'm completely weak for businessmen and will swoon for men in suits. That's what made my scene with Jean Val Jean so hot and memorable in *Be Here Now*. Not only is the man naturally gorgeous, they dressed him up in a fine suit for me. It was a good day!

What turns you off?

Smoking. I hate cigarettes. I don't mind if you smoke

I just don't want to taste it or smell it. Hair in odd places and socks with flip-flop sandals is also a no-no. Also, socks on during sex is a complete turn off. Socks in generally are just not hot, so keep them off!

Have you ever had sex in public?
I've had sex while driving ninety miles per hour down the highway. I rode my guy hard in cowgirl while he drove. That was fucking awesome and I lived to tell

the story so it was a good encounter. We eventually *had* to pull over!

Are you submissive or dominate during sex?
I love to be submissive but if the mood strikes me right I'll go more toward the dominant side. I really prefer being submissive though. Rough me up, man-handle me. I love it!

Do you masturbate?
I don't really find that I need to anymore. Yeah,

I like that answer!

What type of sex scene do you prefer; soft and sensual or rough and hard?
Rough and hard baby! Spanking and biting are fine so long as I don't exit my scene with marks all over my body. I'd like to leave the encounter unscathed. Yeah, definitely rough and hard!

Do you have any special sexual moves that you've been complimented on?
Yes, but it's not something

you'll ever see on camera because it's impossible for the camera to capture. I have this thing I do in missionary position, where I grind my pussy up onto the cock. Guys really like that move!

Last question, true or false: All is fair in love and war? True... absolutely true!

BANG, BANG, BANG!

STARRING: Charley Chase, Katie St. Ives, Lana Violet, Ralph Long, Mikey Butders, Chris Charming, Alex Gonz, Tony DeSergio, Danny Mountain, Mark Wood, John Strong, Mr. Pete

DIRECTED BY: Eddie Powell

AVAILABLE FROM: Digital Sin

GORGEOUS GIRLS / GANGBANG GALORE

Perfectly created for those fans interested in a true gangbang experience, three incredibly eager girls go for broke in their quest of being treated like dirty sluts. Surprisingly, each girl successfully masters and tames the legions of cocks that come her way, despite the fact that their sole purpose in this production is to seek and destroy.

Charley Chase, a performer who by now should need no introduction, is truly the bell of this ball. With a natural body and incredible tits to boot, Charley delivers an award-worthy performance when matched up against five pussy hungry studs. Before she allows them to poke and prod at will, Charley treats the lot to an incredible community blowbang session. With BJ skills that are unmatched, Charley delivers some of the best oral sex ever witnessed. Truly, this portion of the movie on its own is worthy of the admission ticket. What transpires is the most heartfelt humping, that is dripping with saliva, bouncing titties, and hard cocks galore. Yes, it's that good!

Katie St. Ives is a relatively new performer with a girl-next-door type of appeal. Honestly, she looks just as American as apple pie and is the type of girl we can see everyday at the mall. However, this innocent façade quickly gives way to the sexual freak that lurks underneath her cropped hair and Colgate smile. Make no mistake about it; this girl is an absolute animal! Once the four

cocks are in grabbing and sucking distance, Katie goes wild by keeping her pussy and mouth completely occupied throughout.

After Katie is splooged from naval to nose, Lana Violet takes center stage and gets right back into the game with five guys of her own. Just like the women who came before, Lana is up for the chal-

lenge and enters into this situation with a smile across her face. She too does a fine job, with her best contribution occurring when she takes five loads to the face.

SUMMARY: Three gorgeous girls are out to prove that multiple cocks are always better than one in this high-octane release that is an ideal choice for gangbang enthusiasts. ♣

EVALUTIONARY

STARRING: Eva Angelina, Kristina Rose, Rachel Starr, Manuel Ferrara, Mark Ashley, James Deen, L.T., Mick Blue, Marco Banderas

DIRECTED BY: William H.

AVAILABLE FROM: Elegant Angel

ALL EVA / ALL Hardcore

It goes without question that Eva Angelina has created a cosmic sized impact on the adult industry. With an insatiable appetite for sex that surpasses that of most human beings, this girl is a sexual dynamo who shows no sign of slowing down. Deserving of being immortalized in a film that's all about her, director William H. hits the nail right on the head when presenting Eva like never before. Here, through five scenes,

Eva not only pushes her own sexual limits but demands the same hardcore excellence from her award-worthy co-stars. The result is a movie that is worth its weight in gold!

Through ample tease sessions and play throughout, Eva begins the show in a heated scene with Manuel Ferrara. With passion oozing from every pore and a pussy that won't quit, Eva certainly proves why she's on the top of the A-List, especially when going nuts in doggie position. Her cum slurping finish makes us love her even more.

When finished there, Eva joins forces with Rachel Starr to take on James Deen. Again, the girls bring him to near breaking point several times and never once let off the gas. Instead, they fuck like bunnies and continually twist into interesting positions. In time, they even include a stripped dildo into the mix.

Although incredible, the best scene

of the movie is up next and stars Eva, Kristina Rose, and Mark Ashley.

Combined, this trio is electric! Watching their curvy bodies and pretty mouths grind and suck on his body is a porn lover's wet dream. The result is sweaty bodies and a lot of cum.

Also sensational watching Eva take one in the pink and one in the stink when Mick Blue and Marco Banderas begin excavating her holes. She works the men over like a champ at every pace. But before she's through, Eva makes sure to do the horizontal tango with L.T. just to throw you interracial fans a bone! We like her...

SUMMARY: Eva Angelina is porn elite. She shines in five supercore scenes that are shot and presented well. With each encounter, she proves why she remains at the top of the porno charts. Eva Angelina fans.... RUN DON'T WALK! This girl is back and better than EVA! ♣

MILF STORIES

STARRING: Savanna Samson, Hanna Hilton, Persia Pele, Evelyn Lin, Payton Leigh, Rocco Reed, Jack Lawrence, James Deen, Joey Brass

DIRECTED BY: Chuck Lords

AVAILABLE FROM: Vivid Entertainment

MEDIOCRE SEX / FORGETTABLE FLICK

Absolutely unworthy of attention, director Chuck Lords creates a real snoozer of a skin flick when trying to blend younger porn stars with superstar Milfs, like Savanna Samson. Lost in a world of sexual limbo, I'm not sure who this movie is targeted for. The only logical answer is... no one!

Savanna Samson starts the debacle by picking up Rocco Reed. After some backseat fun, the duo magically transition to her house where they bang it out on odd pieces of furniture like a dinner table and a shabby sofa. Although their chemistry is somewhat palpable during their

oral session, their sex lacks heat, passion, and any traces of real gusto. In fact, it's quite boring. Savanna Samson is capable of way more than this.

To make matters worse, Hanna Hilton delivers what could arguably be the worst fuck scene in the history of pornography! From being absolutely comatose and uninterested when Jack Lawrence goes down on her, to performing the MOST PITIFUL BLOWJOB THAT THIS REVIEWER HAS EVER SEEN, this pairing sucks! For such an unforgivable offense, this girl should be forced to turn in her porn star badge... for good! Those big, natural tits aren't enough to save her this time.

Persia Pele and Evelyn Lin fair off slightly better, although sticking your cock through a hole in the wall would be hotter than the previous action. They go through the motions when licking each other's pussies, but the true chem-

istry is never really achieved in any measurable way. Persia's sexy talk in Farsi is the only sexy attribute presented here.

If there is a redeeming quality to this movie that would prevent it from becoming a permanent table stabilizer, it's the scene starring James Deen and Payton Leigh. With these two, there are no complaints. They fuck well together as evidenced by Payton's soggy pussy throughout.

Savanna Samson closes the show with Joey Brass with damn good results, but it's too little too late. The damage has already been done!

SUMMARY: With so many solid productions vying for your porno dollar, it is best to look elsewhere. This movie doesn't even come close to delivering. Although some scenes are hot, most of them are not! You'd be better off mowing the lawn instead. ♣

MOMMY GOT BOOBS 7

STARRING: Holly Halston, Devon Lee, Karrlie Dawn, Sophia Lomeli, Abby Rode, Johnny Sins, Danny Mountain, Keiran Lee, Charles Dera, Joey Brass

DIRECTED BY: N/A

AVAILABLE FROM: Brazzers

CUTE COUGARS / COCK RIDING

Gathering a crop of chesty cougars is not that difficult a task in the adult arena, although grouping six of the sexiest mamas into one production is quite another story. This is precisely the scenario stirred up in the seventh installment of this top-heavy series that highlights mature women and their ripe melons.

With comical setups and plenty of porno clichés, Holly Halston is the first lady up to bat. In her attempt at welcoming her new son-in-law (Johnny Sins)

into the family, Holly goes a little too far by donating her asshole to the cause. The result is round after round of hot older/younger sex that includes plenty of boob squishing and ass froth to satiate the most discriminating porno palate.

Devon Lee is up next. Being annoyed by the continued incompetence of her paperboy (Danny Mountain), she decides to teach him a lesson by smothering her boobs in his face. She later has a blast beating the disobedience out of him by plowing down on his lap in reverse cowgirl position. Where do we sign up?

The excited pace continues in the following scene when Karrlie Dawn gets locked out of her house. Thankfully Keiran Lee is nearby to offer his services, for the small fee of fucking her tits and twat silly. Of course she agrees to his terms- it's porno! - ultimately delivering one of the most memorable scenes in the

production.

Charles Dera later makes a mess in the kitchen when he accidentally spills stuff on Sophia Lomeli's big tits. Eager to punish him, Sophia sucks his cock with her Latina lips and even manages to suck on the rolling pin while he rides out her curves in standing doggie.

In the end, Abby Rode seals the deal with her stepson (Joey Brass) when he arrives too early for his visit. With incredible chemistry streaming from both and Abby's nearly perfect physique, this is easily the hottest fuck scene of the movie.

SUMMARY: Horny older chicks fuck and suck in a solid production that is above average with what is currently available in this genre. Focusing more on great bodies and big tits, these cougars are on top of their game and are ready to fuck. ♣

THE NAUGHTY CHEERLEADERS CLUB 3

STARRING: Amia Miley, Lindy Lane, Allyssa Hall, Summer Silver, Natalie Norton, Alex Gonz, Michael Stefano, Anthony Rosano, James Deen
DIRECTED BY: Eddie Powell
AVAILABLE FROM: New Sensations

CUTE CHEERLEADERS / COUPLES SEX

If watching naughty cheerleaders prance around in school uniforms, and be fucked by seasoned pros is your idea of a good time, then this offering by director Eddie Powell is right up your alley. Collected here are five, fresh faced co-eds who are mostly unknown in the adult arena. With each scene being hotter than the previous, their obscurity in the porn world is likely to change because of this production.

Not only are the five featured ladies fresh and beautiful, but these girls can actually fuck! Amia Miley, who is causing quite a stir, is one such babe who goes the distance with Alex Gonz. Despite the fact that he is the more seasoned of the two, Amia dominates the scene, especially in cowgirl position. Her willingness to please also comes across loud and clear, as she pumps and screams for a harder ride.

Lindy Lane, the most innocent looking of the bunch, is a schoolboy's fantasy come to life. From her chocolate brown eyes, to her baby fat curves, Lindy fucks her way to the top of the cheer pyramid when taking a pounding by Michael Stefano. Although he eases into her more gently than we are used to seeing from him, the entire experience feels as though we are watching her have sex for the first time.

Allyssa Hall makes sure she's not counted out in the next scene when she treats

Anthony Rosano to a porno style blowjob. Once both are dripping wet and ready, Allyssa proves that she's a really a wolf in sheep's clothing by plowing down and showing dominance in reverse cowgirl.

As if Anthony weren't lucky enough, he is at it yet again with Summer Silver. Being slightly inferior in the BJ department, Summer still sucks head like a champ and looks great when taking it deep in doggie position. It's nice to see she's got goals.

Finally, Natalie Norton ends the show. She is a delight and ultimately delivers a very spirited performance.

SUMMARY: Sexy cheerleaders go the distance in five great scenes that are well shot and well lit. Through hot sex and perky young bodies, each girl is more than eager to spread open and score one for the team. Their enthusiasm is infectious, making us the winners! ♣

TOYS & TONGUES

STARRING: Peaches, Bailey, Abbie Cat, Pure Angel, Anita Pearl, Bambi, Jasmine, Cindy Hope, Anita, Iris, Adelle, Kyra Black, Sonya, Cassye

DIRECTED BY: Peter Turner

AVAILABLE FROM: Lesbian Provocateur

LESBIAN LOVE / EURO BABES

For all you fans who love to watch a little tongue to twat tickle, director Peter Turner has the lesbian release for you. In keeping tradition with his high-class locations and his inclusion of stellar, European dream girls, this movie is heavy on the coverage. It features seven hot scenes, 14 girls, and almost three hours of viewing pleasure. While most of the scenes are more on the tame side,

the girls do engage in hardcore sex, just not over the top sex.

Looking exceptionally beautiful are Sonya and Cassye. Together they bang it out on a red sofa and never forget to point their spread legs to the camera. The pussy licking given to both is also quite delicious looking, as each girl is splattered and stained with natural juices. No fake lube here!

Anita and Iris also prove to be delightful pairing, with pretty, blonde hair and great tits to match. They go at each other with slightly more gusto, especially when Iris bends Anita over in doggie to plug her hairless hole with a big fuck stick. Their finish is also great with kisses galore.

As an unexpected and very welcomed surprise, Jasmine, a gorgeous black bunny is thrown into the mix. She brings the house down along side Cindy Hope

when both take pride in devouring pussy and making their holes stretch with the onslaught of probing toys. Hot!

Just when the action couldn't get any better, Abbie Cat and Pure Angel sprawl out in the 69 position, while the camera-man makes certain to get ample coverage from each end.

Peaches and Bailey also have a go with average results, although at times their connection seems a bit forced than natural. Nonetheless, the scene does have its high points, especially when Peaches has Bailey's legs tucked behind her ears to take a plugging in mish.

Adelle and Kyra Black also look quite sensational, especially when rubbing their sweet racks together.

SUMMARY: Sensual scenarios, beautiful locations, and sexy girls are amply displayed. Overall, this is a decent pick for fans of hot girl on girl action. ♣

FRIENDS & FAMILY

UNLIMITED PLAN FOR PUSSY!

Starring: Lisa Ann, Carolyn Reese, Georgia Jones, Mallory Rae, Ashlyn Rae, Miko Sinz, Tiffany Star, Prince Yahshua, Evan Stone, Mark Davis, James Deen
Directed By: Jim Powers
Available From: Smash Pictures

In today's modern world, the stereotypical view of an American family, consisting of two children, a Labrador retriever, and a white picket fence has become obsolete. Instead, the typical families of the 21st Century are as diverse and blended as the trendy frappuccinos that people clamor for every morning. From adding adopted children to the household, to families with two mothers or two fathers, the only thing that remains constant are the hidden secrets that no family is without. From clandestine affairs at the office to lusting after the neighbor's hot teenage daughter, desire remains the catalyst that seems to make the world spin on its axis.

In an effort to bring this new family dynamic to life, award-winning director Jim Powers has aligned with Smash Pictures to create, *Friends and Family*, a movie that exposes the new American standard. With an incredibly blended cast that includes porn superstars to new kids on the block, Powers digs deep to plant a family tree that is ripe with possibilities. It's time to sit up straight and mind your manners because your lesson in family unity starts now.

Without skipping a beat, Powers is on top of his cast and crew. With an early call time, everything is up and running ahead of schedule while Mallory Rae sits on the sidelines eager to fuck. In this particular setup, Mallory has just excused herself from a study

True friends! One gets fucked,
the other gets licked, and
both get a splatter of cum!

session with her girlfriends to use the restroom. On her way down the hall, Evan Stone, her friend's father, pulls her into the family room.

Hot for older men, Mallory tears off her denim shorts and sprawls out on a leather sofa with her legs spread wide. Coaxing him in with her finger, Evan's cock practically rips a hole through his pants in an attempt to get at Mallory faster. With the element of risk making their encounter even hotter, Evan squats on the floor and sticks his tongue deep inside her teenage hole. "Fuck my hole deeper, Mr. Stone!" Mallory whimpers, while she sinks her pink nails into his hair. As can be expected, his expert tongue has her coming all over his mouth and seems to shock her a bit in the process.

"It's your turn," Evan continues as he

jumps on the sofa in a plank position to siphon his hose down her throat. She unlocks the hinges of her mouth and allows him to go balls deep. "I can see you've done this a time or two before," Evan jokes as he rests her leg on his shoulder to exercise her hairless hole in missionary position.

Not yet accustomed to the size of his meat, Mallory bites her lower lip and tugs on her nipple points until her pussy is good and stuffed. In a short while, her pussy is ready to go. From here, Evan flips this little fish in a myriad of positions. Their best display, however, happens when Evan contorts Mallory on the floor in pile driver to give her a dose of his big love. After a few more pumps, the first scene ends with a showering of sploog across her silky slit. Hot!

Little do the fuckers know that James Deen, the brother of Mallory's study buddy, has been spying and jerking off to their extracurricular activity. Miko Sinz, who is James' adopted sister, catches him spanking his mon-

key. In an effort to keep this secret from their mother, Miko and James decide to talk things out in her bedroom.

As one thing leads to another, Miko and James get frisky. Miko eventually falls to her knees to suck on James' wang. With a pretty, Asian mouth that is prime for porking, James slowly glides his joint in between her lips. Her candy pink tongue flicks and licks the underside of his shaft, as her hands begin to massage his balls. "Fuck, I've always wanted to do this," James says while watching her cheek round out with the head of his helmet.

After several more minutes of solid sucking, James rests Miko on her back and decorates her clit with spit before gliding his cock inside her saucy hole. When his execution fails to impress, Miko begs him to do her harder. Having no problem with hot sex, James grants her requests and seems to fuck right through her. At times, it seems as though the bedsprings are moments away from unraveling! "Come on, baby, give it to me harder!" Miko continues, as James' balls begin to tighten.

When finished in this position and

Seconds before Miko gets a load in the mouth!

several others, Miko hops on in reverse cowgirl to finish things off. She bucks and rides this experienced stud and eventually sucks up the creamy fruits of her labor when he splashes his spunk across her pearly whites. "Wow, that was really good stuff," Powers compliments as Miko bends for her admirer and takes a bow.

As the story continues, Mallory and Georgia Jones are back at the Stone residence. With Miko away, Georgia begins to tell Mallory that she's really into girls. When she tries to hit on Mallory by giving her a little kiss, Mallory freaks out and exits the room in a hurry. Feeling rejected and vulnerable, Lisa Ann, the matriarch of the house steps in to console the weeping teen. After discussing

lesbianism with Georgia and getting a welcoming response, Lisa Ann steps in to seduce Georgia into lesbian play.

The scene begins with lots of tongue kissing that the camera is quick to hone in on. With lovely spit stringers connecting both sets of lips, the girls continue their exploration of each other by decorating other parts of their bodies with dribbles of spit and plenty of kisses.

"Would it be alright if I kiss you there?" Lisa Ann asks. Georgia nods her head and opens her legs for Lisa Ann to come inside and play. In an effort to keep her new plaything teased and interested, Lisa Ann starts by kissing the soft skin of her inner thigh and gently pawing at her pussy with her fingers before skating her tongue across her clit. She's

met with gooey cunt gloss, as her oral play becomes much more forceful and intense.

Once oral is given to both cunts, Lisa Ann brings out her array of vibrating dildos and has a blast plugging and chugging on her new friend. "More. Give me more!" Georgia screams, as the toys have her chasing her orgasm all over the colorful bedding. From here, the two ladies have a blast connecting their crotches together with a double-sided dildo. They end their scene with scissor-crossed legs and connected crotches that leave the sheets a soggy mess!

When Mallory goes back home, she learns that her little sister, Tiffany Star, has been carrying on a torrid love affair

with an older black guy who just happens to be the janitor at their college. Wanting to sneak out to go get another bite of her chocolate bar, she devises a plan to fool her parents.

As soon as Tiffany walks through the door, the game is on. Prince Yahshua has been anticipating her arrival. Her clothes are flying in all directions before she even crosses the threshold. Once naked, Prince rests her on the sofa and goes to work on her beaver. He eases his tongue in and out of her little hole before stuffing her up with a flurry of fingers. "You can do better than that," she teases, obviously anxious for his nightstick.

Deciding to make her wait a little while longer, Prince decides to get his knob polished first. "It's only fair," he jokes, as Tiffany begins her long journey down his pipe. With bugging eyes and a face full of drool, Tiffany settles on top of his

lap in cowgirl position and begins to exercise her pussy and her legs. When all that she's got proves to not be quite enough to satiate this stallion, Prince grabs the fleshy curves of her hips and fucks her hard from underneath. She has no choice but to sit in place and take his dark thunder.

"Ahhh," she eventually screams, when his full frontal assault has her creaming her excitement down their legs.

Once both crotches are wet, Prince picks Tiffany up and spins her head over heels. Now in a standing 69 position, both get the opportunity to lick up each other's junk. "Fuck, this is some tasty white pussy," Prince compliments as his loud lip smacking fills the room. After several more acrobatic positions are laid out, Prince pulls out and shoots his mocha froth all over her pretty hole, ending my time on set.

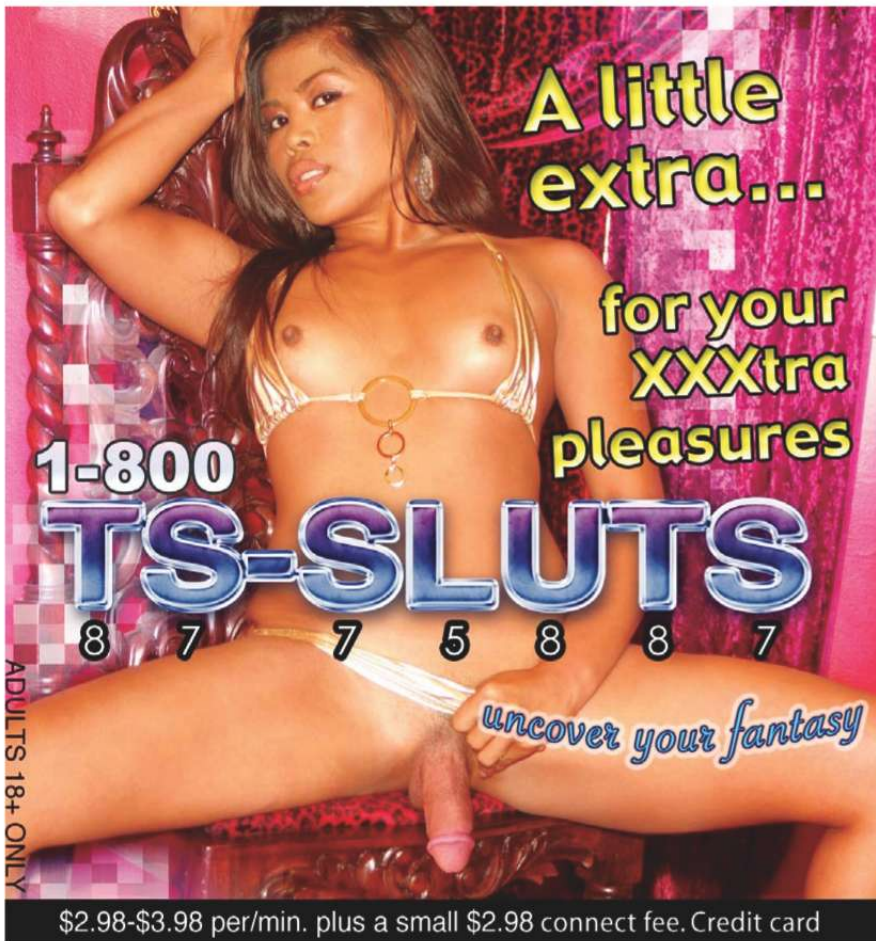

Regretfully what I miss is an additional scene that has naughty Ashlyn Rae climbing into Mark Davis and Carolyn Reese's bed to get frisky with both. What transpires is supposed to be one of the hottest scenes captured in this production. After the incredible sexual displays that occurred today, it's hard to imagine a scene being even hotter than those I witnessed. The good thing is at least there will be a notable surprise waiting for me once the finished projects hits my desk. With tidings as sweet as these and the tingling in my panties that has yet to go away, Smash Pictures has hit a homerun with this production. They prove that with *Friends and Family* as fine as this, who needs enemies?

Anita

Even extraordinarily sexy stunners such as Anita get stood up every once in a while. Although it seems unheard of that anyone, male or female, would be so idiotic as to leave this hottie hanging, well, as they say "shit happens." Anita had gotten all dolled up for a date only to find herself waiting alone for hours in her apartment with no text, call or clue as to what happened to her suitor. At first she was shocked and dismayed and sat with her heart sinking but suddenly she smiled, having remembered the lesson she long ago learned—that when life give you lemons sometimes the best thing to do is get off. So that's exactly what heroic Anita did. Determined not to let her spirits sink past the point of no return she quickly sought to remedy that situation by laying back and rubbing one out. She peeled off part of her provocative outfit—just enough to give her ample access to her naughty bits—and began taking some feel-good measures to manage things. And my oh my did she turn her night around, first with a fun bit of fingerbanging and finally with a hand-held happiness helper. While Anita sat spread-legged, soaking up plenty of good vibes she thought to herself that in the end she really relished the unexpected "me time" her dud of a date gifted her. Everything happens for a reason. ♣

BUSINESS GAL'S ADVENTURE!

It was Sunday morning, and I was in New York on business and staying at a nice hotel in Times Square. I had flown into town late the previous night and had the whole day to relax before my Monday meeting.

I sat in the large McDonald's near my hotel and enjoyed a cup of their excellent coffee while figuring out what to do with my day. When I took out my compact mirror to check my makeup, I noticed a handsome man behind me in the reflection, obviously admiring me. Without thinking I slowly turned around and smiled. That's not my usual way with strangers, but being in Manhattan for the first time in a few years had made me eager for adventure.

My new friend joined me at my table. His name was Victor. Charming and relaxed, he was an actor and had been reading the show-biz trade paper when he'd looked up and noticed me. Now, this particular McDonald's over-

looks Times Square and we soon got into a humorous conversation about the tourists dazzled by the lights and signs of the area, and lining up for discount theater tickets. Soon we ourselves joined those crowds outside waiting for tickets, as Victor knew all the best shows. We got tickets to an award-winning musical, but the show wouldn't start for a while so I invited Victor to see my hotel room, which had a fabulous view.

Well, I didn't *really* invite him up for the view. I just had to have this man immediately. The exciting city had acted as an aphrodisiac and I was in the mood for "fun" right away!

The sunlight filled my hotel room as we began to kiss. Victor couldn't have been more romantic, yet he was very sexual at the same time. He took off my clothes first, and then his own, while we kissed and licked and caressed each other. Victor took my breasts in his hands and played with them, then sucked

SIMONE & ZENZA

For a long time I was never too comfortable with the whole idea of anal. I was always like, why would I want to do that? But then I met a man who turned me on to the pleasures of it and now I can't get enough! I use a dildo to get myself warmed up for him while I'm waiting for him to come over. I want him to be able to slide into bed and slip it straight into my asshole. Then he can pump as slow or as fast as he likes. He knows to grab my hips and hold me tight as he thrusts in and out and tell me what a fucking slut I am for taking it in the ass. Sometimes, he'll grab my tits and run his fingers through my hair as he slams away. One time, he even popped his cock out of my asshole and stuffed it into my pussy for a few quick pumps. That was crazy! Well, all of it turns me on, but the feeling of his balls tightening and then shooting his creamy load right into my butt is the very best! I feel like a dirty whore, but there's something totally awesome about it. I think it's because anal is considered to be so unusual, and it's even more unusual, 'cause I like it so much. Who the fuck knew that would happen?!

my extremely hard nipples. I fell back on the bed and just luxuriated in all the feelings, running my hand down to my pussy and stroking my clit. We lay lazily like that for awhile, Victor on my nipples and me playing with myself. Finally he moved down to my pussy and parted my lips and kissed me deep inside my pinkness. I thought I was going to cum just from that! But then he moved back and steadily lapped at my clit while reaching up and holding my breasts. I closed my eyes tight and surrendered to his skillful mouth, until I finally exploded over and over on his lips.

When I opened my eyes again, Victor was close to my face, his cock jutting toward my mouth. I took it in my well-manicured hand and sucked it hard. Victor looked down with a smile as I licked up and down his shaft and balls. Then he said he wanted to feel the "hot pink inside" of me with his cock and he shifted himself over my body.

I lifted up my legs and felt Victor press into me. My calves clamped around him as he moved back and forth in my pussy. I don't care what anyone says—missionary position really gets *me* going. I don't necessarily have to finish in missionary, but it really arouses me at the beginning. I like the feeling of being covered by the man who's hot for me, feeling him plunging in and out as his whole body presses against mine.

I held Victor's butt as he plowed back and forth in me. For a moment I couldn't even remember what I was doing here in New York—was I here on business, or here just to fuck?

Then I wanted to switch positions before Victor came. I wanted to feel myself in doggie style with this gorgeous man. I could see our reflections on the full-length mirror. I hoped to see him on a tv show sometime and be able to say, "Hey, I fucked *that!*" So I got on my knees and felt Victor squeeze my cheeks as he put his cock back inside me. I was suddenly sorry we had gotten the theater tickets because I would much rather have preferred to stay with this private sex show of ours for the whole day.

Victor fucked me faster and faster. The bed shook wildly, and my face was pressed against the covers when I suddenly felt him pull out and rain his cum all over my behind. It felt so hot, so good! What a great way to start off my stay in New York. And I didn't need to worry—we had plenty of time to fuck again after the theater.

LESBIAN BREAKS OUT!

I was laying in bed over Merissa and kissing her breasts lightly and cupping her pussy in my hand. We were all alone in her bedroom and the quiet was wonderful, like a cocoon around our naked bodies. We had just had wonderful hours of sex here, after posing nude together in an art class a few hours ago; and I knew this lesbian stuff was

something I'd be doing for the rest of my life. This experience with Merissa was my first girl-girl encounter.

We were in Merissa's place because I still live with my parents even though I've been out of college for two years. My mom and dad wouldn't have permitted any lesbian stuff under their roof. I'm supposed to be their good little straight girl, with a boring little office job, and I'm supposed to marry some

good little straight guy with his own boring job. To that I say, YUCK with a side order of screams!

I had met Merissa in the figure art class where we both work as nude models every Wednesday evening. The art school was on the other side of town to make sure my parents never heard about it. My motive for becoming a nude model was really that I wanted lesbian experiences and I thought

I would find adventurous lesbian girls easily that way. More interesting than going to a bar! Not that all art models are lesbian, but I lucked out and found Merissa, who is.

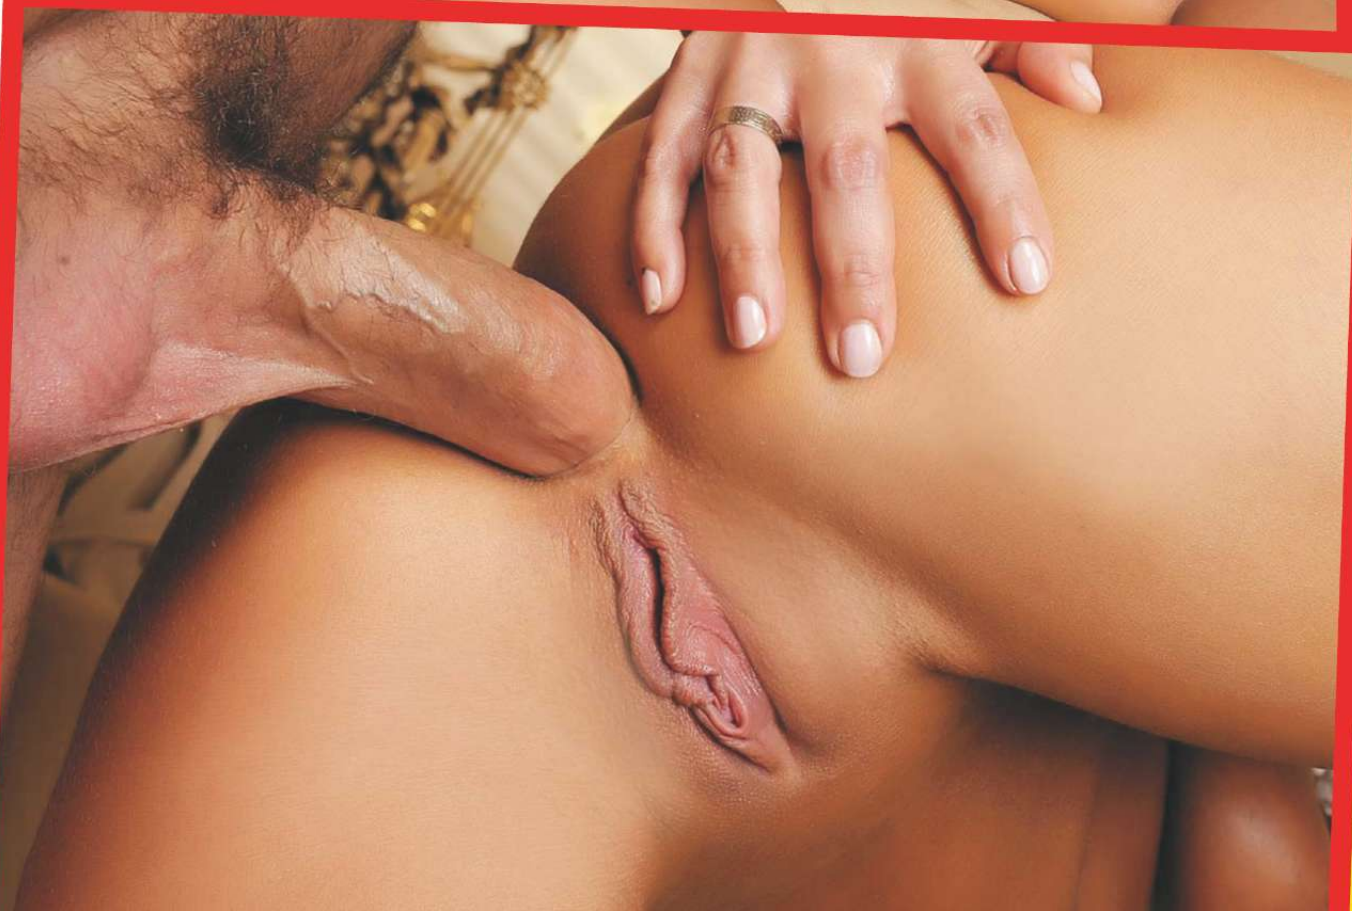

We had posed in the class for two hours that night, separately but once we held each other for a double pose. We nicknamed it "double-trouble" because we knew it gave some of those so-called male "artists" trouble in the

form of boners!

Back at Merissa's apartment we'd joked about imagining all the artists around us with their sketch pads while we made it with each other. I was licking between Merissa's butt cheeks and she was laughing so hard and I asked her what was so funny. "I just imagined stuffy old Mr. Klinger, the guy in the front row, biting his charcoal pencil if we started fucking each other with a dildo!"

"Let's just concentrate on ourselves now and forget those doofuses!" I said, kissing Merissa hard on the mouth. She tasted like cigarettes.

I'd had so many fantasies about doing something like this that when Merissa suggested "hooking up" after the class that night, I was ready. I knew all about lesbian stuff from the Web, and I wasn't feeling shy when Merissa and I reached her apartment. In fact I got down on

my knees and took off her panties and kissed and licked her pussy before we even got to the bedroom, I was so hungry for it.

When we finally got into the bedroom we stripped off all our clothes and Merissa opened my legs and sucked my pussy. She stuck her tongue inside it and swirled it around and then she licked my button until I got incredibly excited. But one of my biggest fantasies was to have an orgasm on a girl's face, and so I told Merissa to lay back on the bed so I could sit on her mouth for my first lesbian cum. "You sure don't talk like a virgin at this," she said, but she was more than willing to obey. In fact, the more we fooled around, it became obvious that Merissa wanted me to take the lead and tell her what to do. You might say that evening I not only became an active lesbian, but I became a lesbian master and Merissa my obedient slave. I had her lick my pussy and then my ass and even my toes. When she said she had a toy I told her not to waste time but go get it and masturbate herself while I watched.

In fact the dildo was really the best part. I used it on Merissa like I had been fucking girls with toys for years. She said it felt almost like it was a part of my body, the way I used it with such skill and force. "Well," I said, "it's almost like my dick, and you better treat it with respect like a dick." And when Merissa laughed at that, I got angry and told her not to make fun of me, because I was her new lesbian master. That made her become very quiet and serious and she looked really excited, and in a few minutes came so hard on the dildo that I thought she was going to crush it to pieces between her thighs.

If only my mom and dad knew that their little straight girl is not only a nude art model but the lesbian master of another nude model! Would they ever faint.

Natalie & Amber

Newlywed Natalie has been having a horrible problem—she hasn't cum since she tied the knot. During her dreary, dry-croched honeymoon she began to worry that marrying for money may have been a mistake. The second she arrived home she called her bff Amber and confessed her fears. As soon as she heard Natalie's tear-choked voice on the phone, Amber rushed over lickity-slit, knowing exactly how she could cheer up her gorgeous gal pal. Having always found huge-knocked Natalie tremendously titillating, Amber was super eager to coax her bosom buddy out of her rutting rut. Pitiful Natalie was putty in Amber's expert hands, and soon she was breathing a sigh of contentment as her snatch quivered and dripped beneath her pal's plush tongue. After a satisfying and prolonged orgasm—the first she'd had in a solid month—Natalie was in decent shape to return the favor. She chowed Amber's box so well that Amber climaxed three times in a row. With those first fuck formalities out of the way, the Sapphic sweethearts could settle down for a leisurely afternoon of fondling, fingering, lapping and other gash-centered gestures of lezzie lovemaking. Impaled upon either side of a double-headed dong, they discussed a simple plan to keep Natalie's nipper happy post-nuptials—Amber agreed to cum over and service her several times a week. ♠

ASS-k And You

Shall Receive:

I'm obsessed with ass sex. I can't get enough of it, it's like my clit is at the top of the wrong hole. Sometimes I don't even let my man Christian inside my pussy at all, "just plow my back field," I tell him. It's all butt fucking and blowjobs between us. He's one lucky sonofabitch to have a girl like me! ♣

A PIC!

LISA "I get really hot and wet when a man takes control of the situation," naughty little nymph Lisa confessed. "I like a man who is not afraid to give it to me hard and fast. I like really wild passionate sex!" With that said, what else does this exotic cutie get off on? "I have to be with a guy who can handle me all night long, and who wants sex at least four times a night. I can't stand a man who falls asleep after fucking. I need one who is both sweet and cuddly, but also knows how to be nasty and devoted." Give us a call Lisa. We think we can help you out!

TIANA If an exotic and erotic brunette is what you are searching for, then look no further than Tiana, because she is undoubtedly your kind of girl. But caveat emptor—this Hawaiian honey only wants a man who knows what he wants. "I want a guy who doesn't ask too many questions and doesn't run off at the mouth," she explained. "That might sound a little harsh, but I only want him to talk to me using body language! Once we're fucking, he can say whatever he wants to me, but I prefer it's some dirty talk. Nothing gets my pussy wetter than lots of nasty chat while we screw!"

JOSIE Josie isn't an easy girl to bag, but if and when you do you're in for the time of your life. She likes the finer things in life, and is also very picky with the type of men that she'll date. She wants you to be built and in shape, have great personal hygiene, a good job and to have some social graces. She also wants a man who is secure and won't get pissed off when guys on the street check out her big natural tits. It's not always easy to achieve the latter, because Josie likes to be a tease wearing tight shirts and short skirts. "I love to make men squirm in their seats," she told us. "I might even give them a quick flash to see what happens."

DEMI Demi is a statuesque dirty blonde who has recently gotten much dirtier. "I was working as a barmaid at a strip club and while I made good money, I saw how much money the dancers were making," she explained. "A lot of my regulars started asking me why I wasn't up there on the pole. I finally broke down and did that. Then I decided to take it to the next level and model. I did a few swimsuit shots, but started getting offers for adult modeling, so I figured I would try this out. I'm proud of my first nude photos and glad I get to show off what I have for you guys!"

RACHEL You always hear those stories about the hot chick next door, or the sexy secretary at work. Rachel is all of that and much more. She tries to always look her best and we can tell that she succeeds all of the time. We asked her what her favorite sex acts are and she gave us a simple, "Um, all of them!" That's right! Rachel is a complete and total sex fiend. She's up for any and all your dirty minds can come up with, and if it's something she hasn't tried yet, she'll give it a whirl. Now that's the type of gal we want working alongside us or living in the house next door!

CELINE Celina recently began attending college and she says she's had an easier time adjusting than she thought she would. Maybe it's her bubbly personality? "I was a cheerleader in high school, so people just assume I'm this dumb blonde slut," she said. "They're dead wrong. I'm not dumb! Ha! Well, if I just like giving blowjobs to random men does that make me a slut? It's not like I'm fucking them or anything. There are so many sexy guys here at my school I just have to see what they're packing downstairs." Now we know why she's popular!

MY SEX LIFE!

22694

"JUICY LUCY!"

After having bought an instructional video on female ejaculation, my boyfriend Josh and I couldn't wait to try the technique out on me. With my naked body spread across a lawn chair, Josh squatted next to me. He stuck his middle and ring finger in side of me, curled them up towards my belly button, and very quickly found my G-Spot. There was no mistaken when he initially hit it. Chills filled my body and my pussy began to get really wet, covering his hands with gloss. Instead of adding the necessary pressure right away to make my pussy squirt, Josh chose to fuck around with my hole with his fingers and his tongue to intensify the orgasm that was brewing inside of me.

"Keep that tongue on my clit," I begged, while Josh continued sucking on my slit. Soon I was coming in his mouth and could hear him sloshing my paste around. Although it felt great, it wasn't very explosive. It was more like a pre-orgasm to the whopper that waiting.

Finally it was time. We were both so fucking horny with anticipation. Josh stuck his fingers back inside of my curly cunt, but this time he kept constant thumping pressure on my G-Spot. Immediately I began to feel an enormous amount of pressure inside that felt like nothing I had ever experienced. It was amazing and only getting better. Finally when my G-Spot hardened and plumped, my pussy began to gush and squirt about three inches from my body. I looked down between my legs to see the splash and couldn't believe the amount of liquid that came pouring out. But even better than that was the sensation! Truly it was the best and strongest orgasm of my life. Now, just having regular orgasms seems so amateur. I'm capable of so much more.... **"Gash Gusher" - Georgia ♣**

**JULIE
SILVER**

Some girls like to fuck all day. Some girls like to fuck all night. For Julie Silver, any time of day is the right time to tune up her slice of tuna. When she's not bouncing up and down on a piece of meat, Julie's sliding a piece of plastic in and out of her puss to get to that big O. You might call it an addiction to dick, but we like to call it awesome. Do you really think we believe that a girl who can't keep things out of her slit has a problem? Dude, the only problem is that we're not there to stuff things up in that thing for her! Now that's a problem! But seriously, Julie's commitment to keeping her cunny crammed is truly commendable. And, if any hour of the day is alright with her to get fucked, then we're pretty sure any guy out there is up for dropping a batch during breakfast, lunch, dinner, or dessert! Delicious! ♣
